Keep in Mind . . .

Each class can only fulfill one requirement, except the WI requirement and the 2000+ level class in a humanity or science.

For Example:

Math 1300 cannot count as both a “General Education” course and as an “Upper Level Admission” course.

BUT . . .

German 2310 WI can count as both as a humanity, a writing intensive course (outside the College of Business), and fulfill the 2000+ level humanity/science requirement.
