

## Fall 2020 Course Updates due to COVID-19

Effective July 20, 2020

To provide you with a safer learning environment in the midst of the COVID-19 pandemic, **changes to your Fall 2020 class schedule may have occurred.** While you are still enrolled in the courses you signed up for in myZou, the way some of these courses are delivered may have been modified. Possible modifications include:

- Fully Online Delivery – Classes that are fully online may be asynchronous (e.g. class materials are posted online & you can access them on your own) or synchronous (e.g. you have to be online and attend class at designated times as outlined in myZou).
- Hybrid Format – Classes in the hybrid format will be at least partially online, but will also require some face-to-face meetings and/or synchronous online meetings.
- Face-to-Face Delivery – Classes offered face-to-face will be a fully classroom-based experience. Please be aware that in order to comply with safety guidelines, some times and/or locations may change from the original schedule.

**Please review your course schedule in myZou immediately & prior to the start of classes on Monday, August 24.** We understand that you may want to make changes to your schedule to better accommodate your preferred course delivery. If you make changes to your fall schedule, please maintain a set of courses that fulfills degree requirements as outlined by your academic advisor.

**If you have questions or concerns regarding changes to the delivery of your courses, you are encouraged to reach out to your assigned academic advisor for assistance.**

*NOTE: If you are unsure of who your assigned academic advisor is or if your advisor is on leave this summer, please email [umcbusadvisingdesk@missouri.edu](mailto:umcbusadvisingdesk@missouri.edu). An on-call advisor will assist you within three business days.*
