### 3. Program Details

#### A. Program beginning and end

The program begins when you check in at the Villa Universitaria on June 28 and ends when you check out on or before noon on July 24, 2026.

#### B. Location

The courses will be conducted at the University of Alicante, located on the southeastern coast of Spain, four hours by train from Barcelona (northeast corner of Spain). Alicante lies on the Costa Blanca (*White Coast*) portion of the sandy beaches along Spain's east side on the Mediterranean Sea on a coastline over 200 kilometers long.

Alicante has a large boulevard lined with beautiful palm trees, many shopping streets and tapas cafes. The weather is excellent all year round and the scenic island of Tabarca is only a short trip by sea. Alicante has a population of about 310,000 inhabitants but has a small and intimate feeling. It contains many old buildings, beautiful architecture, and hosts numerous nice restaurants, shops and walking paths.

C. **Lodging and Meals**

During your program in Alicante, you will be about a 10 minute from campus in the Villa Universitaria. The Villa has a beautiful swimming pool, internet access in the rooms, and laundry facilities in the building. The Cafeteria is located adjacent to the building, providing easy access for meals. A dining hall plan will be provided to students to cover some meals. Also, one or two dinner events are included as part of the social and cultural activities in this program. The Metra allows for easy and flexible access from campus to the center of Alicante (old town and La Puerta de Alicante) and its beautiful beaches.

D. **Language and Culture**

The culture of Spain is rich with history and art. Learning about the culture, customs and lifestyles, as well as some elements of the language can allow for more appreciation and understanding of how the local people view and enjoy life (food, politics, history, culture, fashion, and travel). Some elementary language will be introduced throughout the pre-departure class sessions.

4. **Course Offerings and Prerequisites**

The University of Missouri (MU) and the University of Alicante (AU) will both offer two courses (6 credits) in International business. Students are required to attend all lectures, company, and cultural visits.

**All Students, including Non-Business majors, should check with their academic advisor on how these credits can be applied to their graduation requirements.** All hours are MU summer school credit hours.

- A decision by the University, in its sole discretion, that cancellation of the program is appropriate based on health, safety, or similar circumstances
- My inability to participate in or complete the program due to circumstances beyond the control of the University of Missouri
- My dismissal from the program

I understand that in any of these circumstances, I will be refunded only those costs that can be recovered by the University of Missouri or the University's partner program. If I have not been billed the program fee at the time of my withdrawal, I understand that I will be billed for any cancellation fees charged to the program.
