FIN 4185
Problems in Finance: International Business Management
Depart December 27, 2014 – Return January 12, 2015

1. Highlights
   • Earn three credit hours studying international business management in Europe.
   • Compare Paris’s market economy with Amsterdam’s market economy.
   • Six in-depth visits to international organizations; three visits in Paris and three in Amsterdam. Opportunities will be provided in each organization to meet with managers and to discuss international business strategy/management.
   • Participate with 50-60 other undergraduate students from MU and MU Professor Steve Ferris.
   • Participate in various planned and spontaneous activities to enrich your stay in both cities.
   • Welcome in New Year 2015 European style in Paris!

2. General Requirements for Program Eligibility and Participation
   The following general requirements apply so that MU can conduct a quality program for all student participants:
   A. Students must be in good academic and disciplinary standing with MU.
   B. Students will need a valid passport with an expiration date greater than 6 months after return date.
   C. Students will be asked to sign a liability release form and medical release form (MU International Center)
   D. Each student must meet minimum health insurance requirements set by the University. Therefore, as part of your program fee, you will be enrolled in the University’s HTH Health plan for the duration of the program. You will receive an HTH ID card during the pre-departure class and you will be expected to visit the HTH website and familiarize yourself with the plan and procedures for health emergencies.
   E. You will be expected to participate in the International Center’s orientation in the fall for business study abroad programs.
   F. Students will be expected to follow acceptable behavior as outlined in the MU student conduct manual and the MU “Conditions of Participation and Program Acceptance” form.
   G. Open to all MU sophomores, juniors, and seniors, including non-business majors. Grad students must get prior approval from Program Director.

3. Program Details
   A. Program beginning and end
      The program begins with the registration of the student at the arrival city hotel on December 28th and terminates upon his/her check out from the hotel of the departure city hotel on 12 January 2015.

   B. Course overview
      This course is designed for undergraduate students, regardless of major, who want to learn more about international business in a direct, hands-on fashion. Students will enroll in FIN 4185, a three-hour course in international business management with a particular emphasis on Europe.

      This course will consist of two components: pre-departure classes that provide the student with lectures on course material and an opportunity to complete some of the travel and administrative requirements associated with the European travel component of the course; a two-week international travel experience which includes experiential learning exercises, group discussions and presentations, and six visits to international companies.

      Three company visits will be made in Paris and three will be made in Amsterdam. These visits are an essential part of the learning experience and allow the students to talk with organizational managers regarding international business strategies in marketing, finance, and management. These visits will allow
the student to see how business concepts and strategies that are discussed in the classroom are applied to real international business problems. The specific companies to be visited have been determined; however, modifications to the schedule may occur. The schedule while abroad will allow abundant free time for sightseeing, visiting local cultural and historic sites, and shopping.

C. **Location:** The program events will be centered in the two capital cities of Paris and Amsterdam. Technical visits to companies will involve short bus trips to locations outside these cities.

D. **Lodging and Meals**
All lodging will be in three or four-star hotels and include all breakfasts. Two group dinners will be organized; one in Paris and one in Amsterdam. Both will be held on the last night in each city. Hotel locations - Paris: Mercure Gare de Lyon; Amsterdam: Hotel Ibis Amsterdam Centre. (See section 8 for details)

**Language and Culture:** Paris is the jewel in the crown of French culture and is extremely diverse in both ethnicity, religion and politics and has played an important role in cinema, fashion and cuisine. The French Revolution claimed universalism for the democratic principles of the Republic and they have often been a haven for political refugees and persecuted minorities.

Amsterdam is known as the commercial capital of the Netherlands and one of the top financial centers in Europe. The city is also the cultural capital of the Netherlands and is considered an alpha world city by the Globalization and World Cities (GaWC) study group.

4. **Course Offerings and Prerequisites:** *(This course will directly satisfy a finance emphasis for BSBA graduation requirements.)*

**Pre-departure Class meetings at MU**
Prior to the start of the program, pre-departure class sessions will be held in Cornell Hall, beginning in October. The purpose of these class meetings will be to provide lectures on the principles of international business, review information regarding the companies that will be visited and orientation to the host country, travel administration, and safety abroad.
This is a **non-credit course** for which you will be required to **register before the first day of the pre-departure class**, in order to go on the program. You will not be charged any educational fees for this “course”.

It is expected that students will participate in all pre-departure class sessions. Any exception to this will be managed on a case-by-case basis at the discretion of the Program Director after consultation with the student. Minimally, the student will be required to contact the lead professor and student manager to make arrangements to cover the missed course content.
