EDUCATION

UNIVERSITY OF MISSOURI, Columbia, MO
Bachelor of Science in Accounting (May 2000)
Masters of Accountancy (May 2000)
Graduated summa cum laude

CERTIFICATION

Certified Public Accountant (State of Missouri, 2000)

WORK EXPERIENCE

Aug. 2004 – present

University of Missouri *Columbia, MO*

ASSOCIATE TEACHING PROFESSOR (full-time)

- Currently instruct undergraduate students in **Accountancy 2258**, *Computer-Based Data System* (15 years).
- Currently serve as **Course Coordinator** for **Accountancy 2258**, which involves coordinating 14-16 sections of the course each fall and spring semester; dealing with various issues and responding to questions and concerns from any of the 450-600 students enrolled in the course each semester; and providing instructional materials, training, guidance, and support for 8-12 teaching assistants in the fall and spring semesters (15 years).
- Developed new online course for **Accountancy 2258**, *Computer-Based Data Systems*, in 2017, and currently instruct undergraduate students taking the course for their online BSBA degree (2 semesters).
- Developed new online course for **Accountancy 3328**, *Accounting Information Systems*, in 2018, and currently instruct accounting students taking the course to work toward earning their online MAcc degree (1 semester).
- Currently instruct senior and graduate accounting students in **Accountancy 4365/7365**, *Governmental and Non-Profit Accounting and Budgeting* (15 years).
- Developed new online course for **Accountancy 8444**, *Advanced Audit*, in 2018, and currently instruct graduate accounting students who are taking this course for their online MAcc degree (1 semester).

- Developed new online course for **Accountancy 3328**, *Accounting Information Systems*, in 2018, and instructed students who needed to complete this course before applying to our online MAcc degree program (1 semester).
- Developed and provided a one-day **KPMG Boot Camp Excel Training** course for students in our KPMG Data Analytics program (Summer 2018).
- Instructed sophomore, junior, and senior students who were non-business majors in **Accountancy 2010**, *Introduction to Accounting* (7 semesters).
- Instructed juniors in **Accountancy 3328**, *Accounting Information Systems* (2 semesters).
- Instructed junior accounting students in **Accountancy 3347**, *Cost and Managerial Accounting* (2 semesters).
- Instructed senior finance majors in **Accountancy 4356/7356**, *Financial Accounting Concepts* (4 semesters).
- Instructed senior accounting students and graduate accounting students in **Accountancy 4384/7384**, *Audit Theory and Practice I* (9 semesters).
- Developed new course, **Accountancy 8444**, *Advanced Audit*, in 2012, and instructed graduate accounting students taking the course (9 semesters).
- Duties for all courses include giving weekly lectures in class; facilitating in-class discussions, exercises, and case studies; assisting students with homework problems and projects; writing exams, grading projects, assignments, quizzes, and exams; and providing students with timely feedback.
- Served as an online instructor for **BA 4500**, *PDP Internship Course* (5 semesters). Duties included grading business writing assignments; providing feedback and advice on writing skills and the internship experience; conducting two coaching calls with each student; and assessing a final grade.
- Participate in faculty meetings, workshops, professional conferences, firm-sponsored events, and student organization activities.
- Currently serve as **Campus Coordinator** for the **Becker CPA Review** course offered to our School of Accountancy students (14 years).
- Currently serve as **Online Instructor** for an online **Becker CPA Review** section for MU students each semester (13 years).
- Facilitated 7-10 four-hour live **Becker CPA Review** sessions per semester (9 years).
- Served as **Online Instructor** for an online **Becker CPA Review** section for students across the nation (4 semesters).
- Facilitated 4 four-hour live **Stalla CFA Review** financial accounting sessions per semester (2 semesters).

- Jan. 2003 – July 2004
- University of Missouri** *Columbia, MO*
ADJUNCT INSTRUCTOR (part-time)
- Instructed senior accounting students in **Accountancy 365, Governmental and Non-Profit Accounting and Budgeting** (4 semesters).
 - Duties performed included giving weekly lectures in class, assisting students with homework problems and computer projects, writing exams, grading computer projects and exams, and providing students with timely feedback.

- Sept. 2000 – Jan. 2004
- KPMG LLP** *Kansas City, MO*
SENIOR ASSOCIATE, AUDIT
- Involved in the planning, supervision and completion of financial audits of companies within the public services, financial services, and retail/manufacturing industries.
 - Duties performed included review of key business processes and significant business risks; execution of control-based and substantive test work on balance sheet and income statement accounts; testing of compliance with budgets, laws and regulations, and grant requirements; identification of processes lacking appropriate controls; presentation of performance improvement opportunities to clients; and preparation of financial statements and audit reports.
 - Additional responsibilities included active participation in the recruitment of new professionals; positive leadership of the audit team; interaction and development of strong relationships with client personnel and executives; and effective engagement management to ensure the timely completion of the audit and related deliverables.

- Aug. 1999 – May 2000
- University of Missouri** *Columbia, MO*
TEACHING ASSISTANT
- Instructed labs for students in **Accounting 37, Introductory Accounting II**, during my graduate year of college. Duties performed included assisting the professor with lecture classes twice a week, conducting lab sessions once a week, writing homework and exam questions, conducting review sessions prior to exams, grading homework assignments and exams, and providing additional help to students during office hours.
 - Served as the **Teaching Assistant Coordinator** during the second semester of my graduate year of college. This position involved coordinating the schedules for the teaching assistants, preparing and distributing information to the teaching assistants, leading weekly meetings with the professor and the other teaching assistants, and providing guidance to the teaching assistants as needed.

- June 1999 – Aug. 1999
- KPMG LLP** *Kansas City, MO*
AUDIT/TAX INTERN
- Prepared memos documenting the client’s key processes and internal controls
 - Performed control-based and substantive test work on balance sheet and income statement accounts, and analytically reviewed account balances through comparison to budgets and prior year account balances.
 - Interacted with the engagement team and client personnel.
 - Completed tax return preparation work papers for individuals and businesses.

- Jan. 1999 – March 1999
- Ernst & Young LLP** *Kansas City, MO*
AUDIT INTERN
- Prepared memos documenting the client’s key processes and controls
 - Performed control-based and substantive test work on balance sheet and income statement accounts, and analytically reviewed account balances through comparison to budgets and prior year account balances.
 - Interacted with the engagement team and client personnel.

STUDENT EVALUATION COMMENTS

The following is a selection of comments I have received on student evaluations from students in my courses. The Individual Student Comment Sheets are available upon request.

“The professor really cared about student learning and engagement. She was also very enthusiastic. She makes class more enjoyable because of her attitude.”

“Professor Hockman’s energy made this a fantastic class. She was so knowledgeable, used many different varieties of assignments, and very cleverly would randomly collect this so that everyone attended class. I honestly really enjoyed this class.”

“Professor’s ability to connect examples, as well as keep entire class engaged. Professor Hockman is a phenomenal teacher of the accounting information systems.”

“It is evident that you are truly passionate about student learning. That does not go unnoticed and is truly appreciated by all students.”

“Prof Hock is incredible! She goes above and beyond what is required of her as a teacher to ensure that all students succeed.”

“Professor Hockman did an especially good job at providing real world examples and telling us what specific skills will be relevant in our future careers. She has good experience and shares that with her students.”

“She’s very enthusiastic and has a lot of interesting real life stories. She seems to have perfected the class structure and everything went smoothly.”

“The professor was extremely positive and knowledgeable about the topic. Very interested in student learning.”

“Kristen was exceptionally understanding and adapted the course schedule and content to meet the needs and demands of the students. Good work to whoever in the Business School found her. She is great!”

“Kristen is awesome. I never doubted her knowledge of governmental accounting. Excellent job, Kristen!”

“Kristen really has an exceptional knowledge of the material, and it showed by the way she could relate to us.”

“Kristen was very enthusiastic, helpful, and easy to understand. This course was very well taught in my opinion.”

“I think Kristen’s explanations were clear, she was willing to answer any questions, and she was very well organized. She really wanted to be helpful and was very enthusiastic.”

“Kristen explained everything very well. She is a very good instructor and took the time to make sure we understood everything. I appreciated her availability, her upbeat spirit, and her sense of humor.”

“She put extra time in to make sure we always had good study guides. Very sure of her knowledge and always stayed on the level, never belittling.”

“Kristen’s knowledge of the subject, speaking ability, and concern for students is what was especially good about this course. She teaches wonderfully, and she can usually feel out what we don’t understand.”

“It seemed that Kristen really cared whether or not we learned, and that’s good for our moral. She also did extra stuff, like making us study guides, which were very helpful. I give Kristen 2 thumbs up!”

“She is very organized and prepared. Seems to have exceptional knowledge and really wants us to understand.”

“I felt like Kristen’s teaching technique embodied a mutual understanding of the student’s perspective and the required material. She was a truly kind and straightforward ambassador. She also used practical examples and smiled.”

“Kristen is an excellent teacher. She always explained things very well and was very patient with questions and was willing to answer all of them.”

“Kristen did a good job of keeping things interesting. She made herself available at home and at school. She always wanted to go the extra step to make sure her students learned.”

“Kristen explains everything very good and brings herself down to our level to teach us.”

“Kristen is awesome – she is all knowing and is so clear on how she explains things. She is wonderful and effective and efficient.”

“Kristen was very easy-going and very thorough in her explanations of the class material. She was good at answering questions, and she would even stay late to answer questions. Kristen was smart, funny, and helpful.”

“She presented a relaxing and comfortable atmosphere, which made it easier to participate. She tried to help as much as possible if you were stuck on something or confused.”

“I thought Kristen was a very enthusiastic teacher who knew exactly what she was talking about. She made the class more enjoyable by her personality. She was always smiling.”

“Kristen would answer any and all questions regarding the course and beyond. She would answer real-life questions to help my understanding of Accounting as a whole. She helped me to explore different areas of Accounting pertaining to the Business World. I appreciated her professionalism.”
